**Note:** It is important that all applicable information noted above is submitted with the application. An incomplete application will not be scheduled for Planning Commission consideration. Planning Commission meetings are held on the first Wednesday of each month at 6:00 p.m. The deadline to submit an application to be placed on an agenda is no later than 12:00 noon ten (10) full business days before the Planning Commission meeting at which you plan for your application to be heard.

## **PURPOSE**

The preliminary plat application is the first step in land development process in those instances where land is divided for eventual sale. The process is established to ensure that all proposed divisions of land conform to the Town's General Plan and to adopted development standards of the Land Use Ordinance.

## **WHEN REQUIRED**

The preliminary plat is required any time land is to be divided, re-subdivided or proposed to be divided into two (2) or more lots, parcels, sites, units, plots, or other division of land for the purpose, whether immediate or future, for offer, sale, lease, or development either on installment plan or upon any and all other plans, terms and conditions. It is not required on agricultural divisions where the agricultural parcel is divided to be combined with another agricultural parcel, nor is it required when two un-subdivided properties are merged, or where the boundary between two un-subdivided properties are adjusted.

The preliminary plat must be approved before a final plat can be processed and recorded.

Subdivision approval process:

1. Determine current zoning for property.
2. If zoning fits desired subdivision, meet with Planning Staff to discuss the proposed project.
3. Obtain a preliminary plat application form and complete the application and have a plat prepared by an engineer to meet the requirements on the preliminary plat application.
4. Submit completed application, preliminary plat, and required fee to the Planning Department before noon on the Wednesday two weeks before desired Planning Commission meeting.
5. Appear at the scheduled Planning Commission meeting to discuss preliminary plat, hear comments, answer questions, and receive recommendation of approval or disapproval from the Planning Commission.
6. Appear at the next scheduled Town Council meeting that occurs after the Planning Commission meeting at which a recommendation was received. Hear Town Council comments, answer questions, and receive Town Council decision. Town Council can approve the plat with conditions, recommend changes and send it back to the Planning Commission, or deny the plat.
7. If preliminary plat is approved, have construction drawings for utilities and streets prepared by an engineer according to the Town standards. Construction drawings must be approved by the Planning and Zoning department, Town Engineer, Rocky Mountain Power, South Central Communications, Ashcreek Special Service

District, Southwest Public Health Department, Big Plains Water Special Service District, and any other utility provider approved by the Town. Approval means changes are made and all required signatures are obtained.

8. The owner/developer has read and understand that the Fee Schedule for the Town of Apple Valley requires that any engineering review costs incurred by the Town of Apple Valley or Big Plains Water Special Service District for review of any and all plans and or designs needed as part of the approval of their construction plans, shall be paid for by the owner/Developer.
9. Once the preliminary plat is approved by the Town Council, the applicant has one year after receiving approval of the preliminary plat to submit the final plat to the Planning Commission for action. The Planning Commission may authorize a one-year time extension, provided the extension request is made before the one-year time limit is reached. The Planning Commission will review and make recommendation to the Town Council on the final plat when submitted. The Town Council will typically review the Planning Commission recommendation within 1-2 weeks after the Commission action on the final plat.

## **APPEALS**

The Planning Commission makes a recommendation to the Town Council, so there is no appeal. The Town Council's action on a preliminary plat is final unless appealed to the appropriate court.
